

## HEAVY WINDS AT SEA GIRL.

THE 2D NEW-JERSEY REGIMENT CAR-  
RIES OFF TWO PRIZES.

DISTRICT OF COLUMBIA TEAM WINS THE HILTON  
TROPHY BY A NARROW MARGIN--INTER-  
STATE REGIMENTAL MATCH PRODUC-

**TIVE OF GOOD SCORES.**

Six Girl, Sept. 3.—A heavy wind blowing across the rifle range to-day prevented the competitors in the matches from making record-breaking scores. Fortunately the wind blew at an even rate, placing all the competitors under the same conditions.

The score of the New Jersey National Guard and Columbia trophy matches, which were shot yesterday, were tabulated and made public this afternoon. In both matches, which were open only to New Jersey guardsmen, the 2d Regiment team was successful. The scores were:

**NEW JERSEY NATIONAL GUARD MATCH—Team of**

Six men from each company				
New Jersey National Guard trophy and \$30; second prize, \$25.				
	200 yards	500 yards	600 yards	Total
Second Regiment	..... 291	..... 287	..... 285	..... 863
Eighth Regiment	..... 295	..... 295	..... 295	..... 885
Sixth Regiment	..... 295	..... 295	..... 295	..... 885
Seventh Regiment	..... 214	..... 214	..... 214	..... 642

COLUMBIA TROPHY MATCH.—For bronze trophy presented by the Columbia Athletic Club to the New Jersey National Guard; six from each New Jersey regiment.  
The scores were:

Seventh Regiment	..... 103	..... 131	..... 141	..... 422

Not in years have the riflemen of the country witnessed such an exciting match as that for the

The fight was a see-saw between Georgia and Columbia from the firing of the first shot at 10 o'clock this morning until the match was over and Washington was declared the winner at 6:55 o'clock. The match closed with Georgia tying Columbia's score of 1,010 points amid the greatest excitement, but the trophy was awarded to the Columbia boys under the rules of the National Rifle Association, which controls the Hilton Trophy. The rules provide that in case of a tie between two teams, that making the highest score on the

last and longest range shall be declared the winner. Washington made nine more points in the 600-yard range than the Georgia team, one of the Southerners having fired at the wrong target, scoring a bull's-eye, which, however, failed to count.

The following are the scores made to-day:

**REGIMENTAL INTERSTATE TEAM MATCH—First prize, interstate trophy and \$100; second, \$50.**

**LIGHTNING'S PRANKS.**

TELEGRAPH, TELEPHONE AND ELECTRIC LIGHT

SYSTEMS DERANGED IN ELIZABETH—A  
CHURCH STRUCK IN BAYONNE.

Elizabeth, Sept. 3 (Special).—A violent electrical storm swept over this city to-night, and succeeded

In temporarily knocking out the telegraph, telephone and electric light systems. The business offices in the city were plunged into darkness. There was a brilliant electrical display in the Postal Telegraph office, where the current played

over the keys and switchboard, making a noise like the discharge of small arms, and driving the operators in terror from their stations. The office meanwhile was thrown into darkness from the mishap to the electric light plant. All the fuses in the Postal

Telegraph office were burned out, while the Central Telephone station suffered severely in the same way.

Bayonne, Sept. 3 (Special).—While this evening's severe storm was at its height lightning struck the

steeple of the African Angelle Baptist Church, in East Forty-sixth-st. The local volunteer fire department responded promptly to the alarm. The rain fell in a deluge and quenched the blaze before much damage was done.

THEY BLAME THE GRADE CROSSINGS.  
A BOY'S DEATH CAUSES A DEMAND FOR TRACK  
ELEVATION IN JERSEY CITY.

The killing of the boy John Drury at the Erie-st. crossing of the Erie Railroad in Jersey City Wednesday night has caused intense indignation in the section of the city where the accident occurred, and prominent citizens censure the city officials for not

Corporation Counsel Blair, when asked yesterday about the delay, said: "The final negotiations are under way. The papers are being prepared and will

he submitted to the parties concerned at an early date. The negotiations have been delayed owing to the fact that many of the persons interested have been out of town. When the cool weather sets in and they return the negotiations will be urged to a "settlement." He added that the work of ele-

the tracks would probably begin this fall.
